Libro · pág. 73

MÍRALO

Hasta que... / para cuando...

LA FÓRMULA

Time clauses

before / after / once / as soon as / the moment / until / by the time + frase, frase principal

ANTES / DESPUÉS

After I graduated, I moved to Bogotá.

UNA VEZ QUE

Once I got a job, I felt independent.

JUSTO CUANDO

As soon as I got my first salary, I bought a phone.

HASTA QUE

Until I moved out, I had never cooked.

PARA CUANDO

By the time I was 20, I had already worked in two jobs.

EJEMPLOS

Time clauses

4. **By the time I got there, the party had ended.**
   Para cuando llegué, la fiesta ya había terminado.

INGLÉS VS. ESPAÑOL

Cuidado con estas trampas

LO QUE CAMBIA

Igual que en español, puedes empezar con la frase de tiempo o ponerla al final. Con «until» y «by the time», la otra parte suele ir en past perfect (had + participio), porque pasó antes.

~~✗ By the time I arrived, everyone left.~~

✓ **By the time I arrived, everyone had left.**

Pasó antes de llegar: had left.

~~✗ As soon as I will get home, I'll call you.~~

✓ **As soon as I get home, I'll call you.**

Después de as soon as (futuro) va presente.

~~✗ Until I didn't move, I lived with my parents.~~

✓ **Until I moved, I lived with my parents.**

until ya es «hasta que»: sin negativo.

TRUCO PARA RECORDARLO

BY THE TIME y UNTIL casi siempre traen un HAD en la otra parte de la frase.

OJO
